Introduction to products and service 产品及服务介绍

Qingdao Huayihe New Material Co.,ltd provides you a full range of professional and First-Class services include design,production and processing, packaging transpotation and installation guidance.

青岛华屹和新材料有限公司 为您提供包括设计，生产加工，包装运输及安装指导等方面专业的，一流的，全方位的服务。

Steel structure building 钢结构厂房

Compared to the traditional concrete construction,Steel structure building has the advantages of solid structure, fast construction speed,100% recycling of materials, and economy and practicality.

与传统的混凝土结构建筑相比，钢结构建筑有坚固牢固，施工速度快，材料可以100%回收及更加经济实用的优点。

Prefabr house 预制房

Prefab house is easy for assembly and disassembly, no need bassment and convenient for delivery; the steel frame is sturdy and durable; can be customized as customers' requirments;flexible combination makes it widely used as living house, office and store ect

预制房容易装卸和拆配，不需要地基且便于移动；钢结构主体坚固耐用；可根据客户需求定制；灵活的组合方式促使钢结构预制房被广泛用于居住房屋，办公室以及商店等建筑。

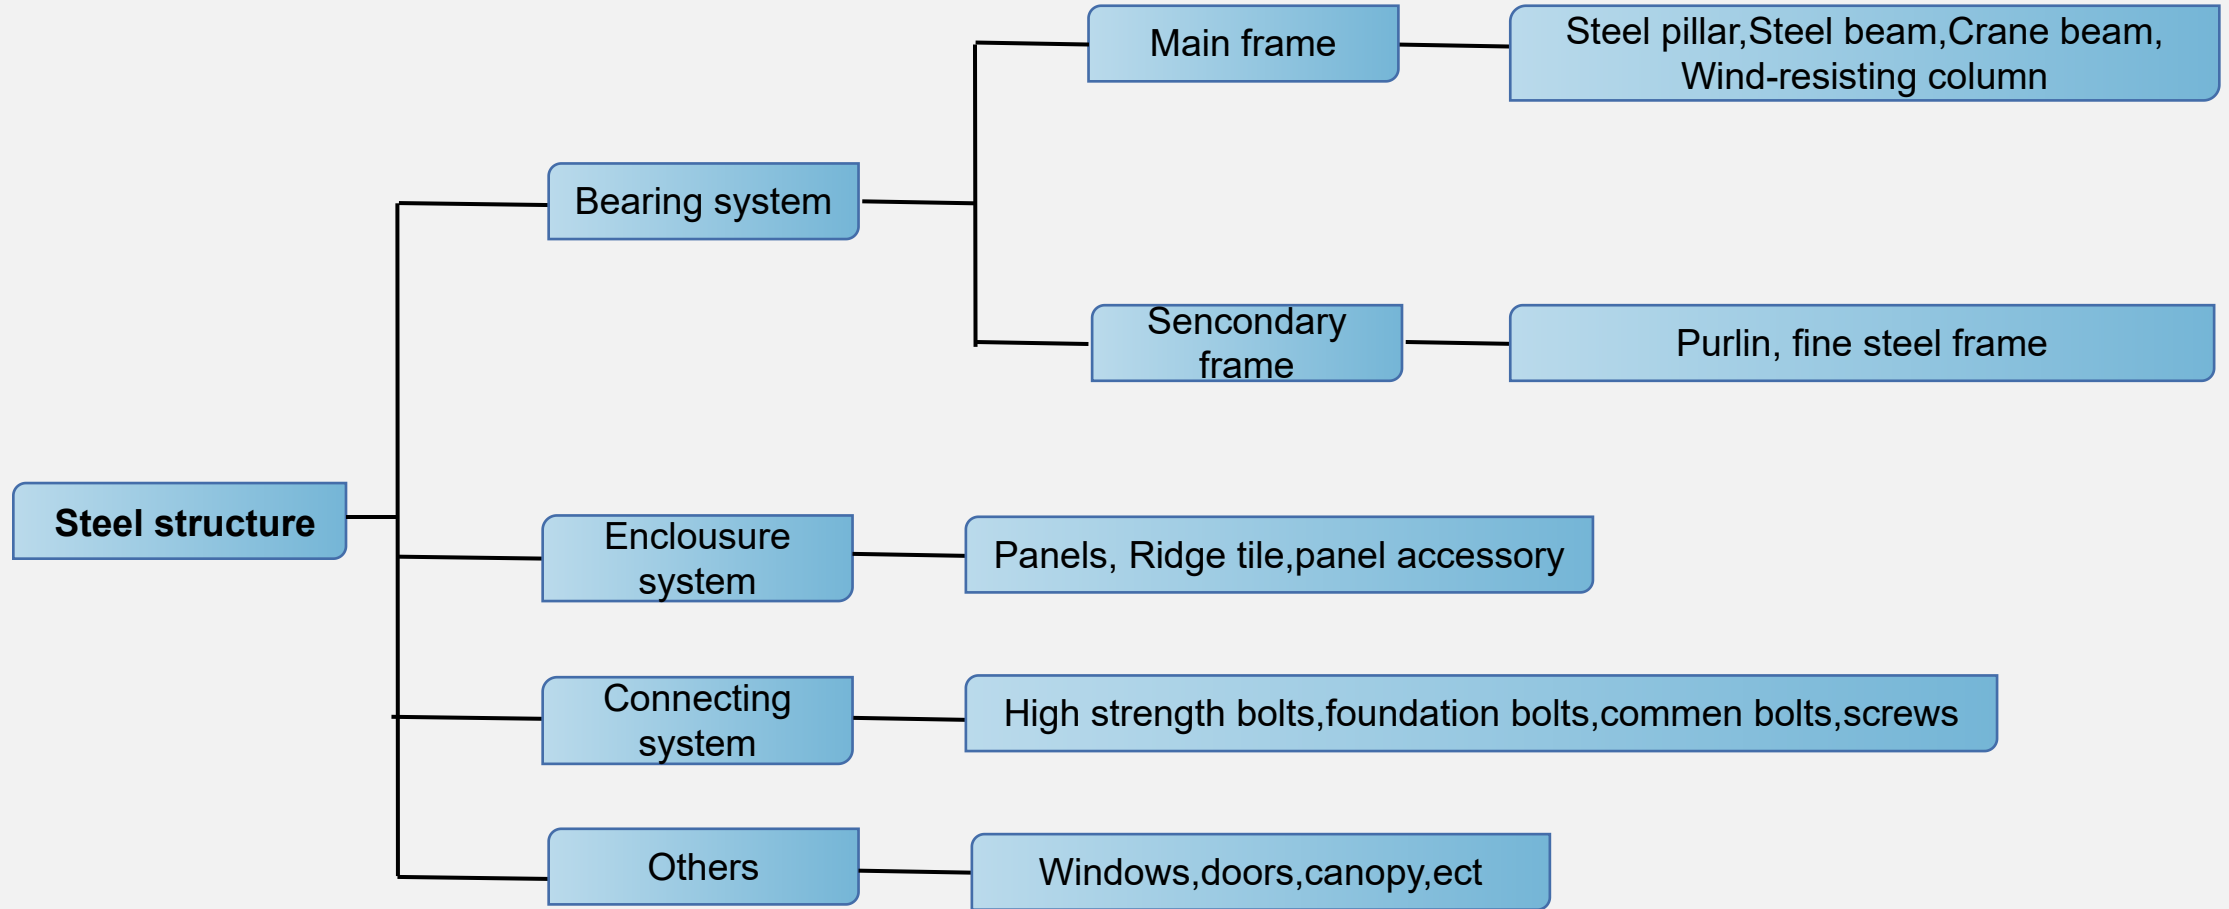

Other steel products clients need 其他钢结构产品

Poultry of steel structure; staircase of steel structure; steel awning; ect

钢结构禽舍；钢结构楼梯；钢架雨棚、遮阳棚等。
